United For Equality & Affirmative Action Legal Defense Fund
BUILDING a movement requires passion and insight, as well as sufficient financial and other resources. Maintaining these resources requires a solid and stable income from our loyal supporters. As a monthly sponsor you will be helping meet the basic needs of our dedicated, full time volunteers, most of whom are students and youth. Your regular contribution can ensure that we continue to push American society in the direction of progress and provide a foundation for young people from the poorest sectors of this society to rise and become its greatest leaders. Every contribution we receive, whether large or small, is important! Monthly sponsorship is especially essential because it helps provide a foundation of financial stability that allows us to strengthen our administrative and organizational capacity.

Monthly sponsors receive regular updates on the campaigns we're building, and DVDs documenting our movement as we grow. To become a monthly sponsor, fill out the required information and choose the level of your sponsorship. You will be mailed a thank you and receipt as soon as your information is processed.

Your support is important to us. Thank you.
